

**TSM MODELS ANNOUNCES COOPERATION WITH ACURA**  
*TSM to produce model of the 2012 Acura NSX Concept Car*

**FOR IMMEDIATE RELEASE**

(March 27, 2012) TSM Models is proud to announce a partnership with Acura to produce a model of the all new 2012 Acura NSX Concept Car as premiered at the North American International Auto Show. The TSM model 2012 Acura NSX Concept Car will commemorate one of the most highly anticipated supercar debuts in automotive history, celebrated in an exquisite 1/43 model that is sure to be extremely sought after by collectors and automotive enthusiasts alike.

Featuring state-of-the-art technology and a sleek, elegant yet aggressive design, the NSX is expected to lead the way into the next generation of supercars. Replicated in 1/43 scale resin, TSM will deliver a model that would equally live up to those expectations, offering the same incredible detail as seen in all TSM Models.

The 2012 Acura NSX Concept Car: North American International Auto Show is scheduled for a June release, and promises to be one of the most popular items offered in the 2012 TSM catalog. For information on pre-orders, please be sure to contact your local importer or fine retail store.
