PLAY TRACK

Designed for use with "MATCHBOX" 75 vehicles, Playtrack is a versatile construction toy enabling you to design and build a variety of complete play situations. And when play is over you can put the components back in the box and carry them around with you.

PL-5

PL-5 Now build your own multi-storey garage with the new Playtrack Construction Set – the easy to assemble, push-fit parts makes it possible to construct a variety of garage styles, each with its own working lift to park your "MATCHBOX" models. To make the scene complete, the set includes a Playtrack roadway, together with traffic signs, plus one "MATCHBOX" vehicle.

"MATCHBOX"

PLAY TRACK

PL-4 You can design your own rail and roadway layouts - there is a station, bridge, train turntable, level crossing gates, locomotive sidings, a farm with animals, road and rail

Playtrack, 3 "MATCHBOX" vehicles and a whole range of Playtrack accessories - over 90 parts make Playtrack Railway super fun to play with.

PL-1 Build yourself a busy Playtrack street scene – there are over 30 interchangeable parts to choose from, including Playtrack roadway, road bends, buildings, trees and figures.

PL-2 More parts – over 50 of them, meaning more fun. Design and build a complete village scene. There is a garage, Playtrack roadway, buildings with crossroads and road signs plus lots of other accessories.

PL-3 This is the big 70 piece set that enables you to build a big town complex. There is a garage, bridge, buildings, Playtrack roadway and car parking areas for your “MATCHBOX” vehicles. Plus of course, the full range of accessories which make Playtrack such fun to own.
