MORE EXCITING RANGE INTRODUCTIONS FOR 1988

RB-2570 Roadblasters Air Support Squadron

RB-3000 Roadblasters Rough Terrain Reconnaissance Patrol

# RoadBlasters

In the unending race between the Turbo Force and the Motor Lords, the Power Kings are giant support vehicles, awesomely powerful and with the ability to become virtually indestructible work and battle stations. Made of rugged Diecast construction the Power Kings are capable of being assembled into literally hundreds of different configurations.

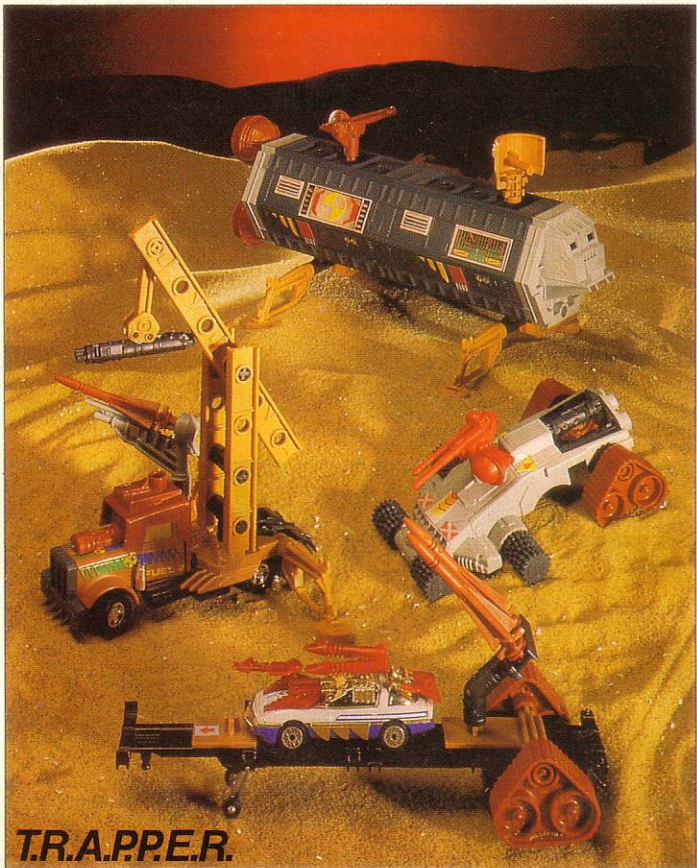

**RB-2521 A.L.T.R.A.C.:** Air/Land Repair Centre complete with transporter and helicopter. A.L.T.R.A.C. serves as Turbo Force recovery and repair support.

**RB-2522 V.A.R.M.I.T.:** Vehicle Armour Redesign and Modular Intelligence Transport, V.A.R.M.I.T. restructures the awesome machines and co-ordinates all Motor Lords clandestine schemes from its unlawful missile silo.

# RoadBlasters

**RB-2531 T.R.A.P.P.E.R.:** Turbo Force reconnaissance and power reserve. T.R.A.P.P.E.R. serves a vital dual function in the Turbo Force Team as a refuelling centre and early warning mobile observer post.

# RoadBlasters

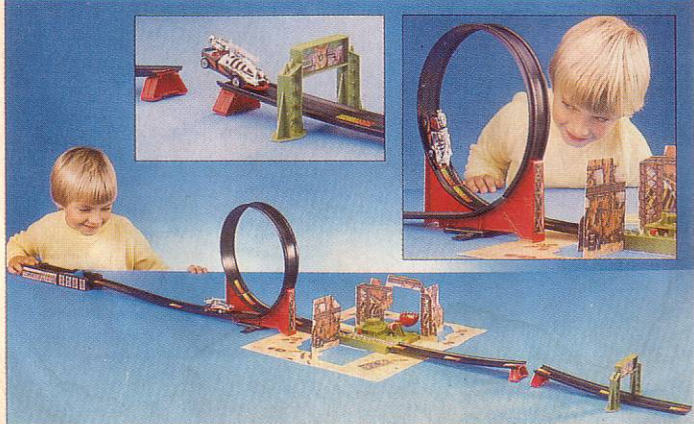

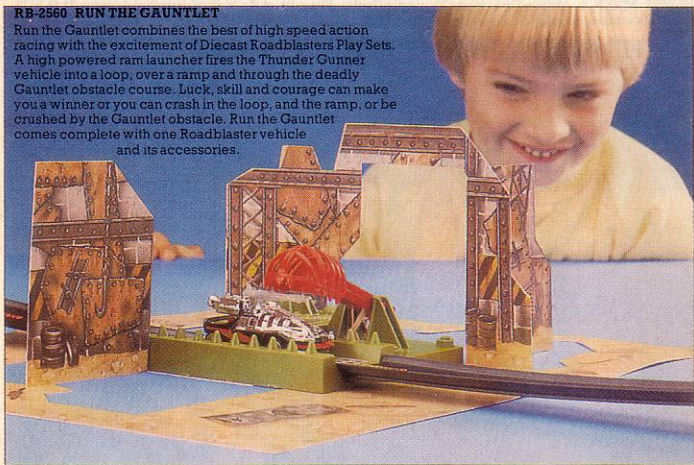

**RB-2532 M.O.R.G.:** Mobile Operations Resupply Gantry. The core of the Motor Lords evil dynasty, M.O.R.G. is a highly armed resupply mobile fortress which is almost totally invulnerable.

# RoadBlasters RUN THE GAUNTLET

## RB-2560 RUN THE GAUNTLET

Run the Gauntlet combines the best of high speed action racing with the excitement of Diecast Roadblasters Play Sets. A high powered ram launcher fires the Thunder Gunner vehicle into a loop, over a ramp and through the deadly Gauntlet obstacle course. Luck, skill and courage can make you a winner or you can crash in the loop, and the ramp, or be crushed by the Gauntlet obstacle. Run the Gauntlet comes complete with one Roadblaster vehicle and its accessories.
