

PAUDI

Die-cast model cars

Make everyone likes artificial models

PAUDI*MODEL*

Guangzhou Paudi Model Technology Co.,Ltd. was established in May 2003. And the registered address is North Tianhe Rd., Guangzhou, China. We have devoted ourselves to the manufacturing and sales of die-cast models since the foundation of the company. We always concentrate on good quality and excellent service to supply customers high level die-cast models with the mature and advanced International model brands.

Having unique competition stateies and specialized products, Paudi stands out in the well developed car model industry. High Quality, High Grade and Specialization, which have PaudiModel avoided the usual price war in this field, are our permanent concepts, making us the most in the industry.

We sincerely supply you with perfect products designs and practical suggestions according to the demands of the customers with the spirit of "Coordination, Creation, Skilled-fighting and Efficiency". We are ready to provide conscientious and high quality pre-sale and postsale service at any time. Meanwhile, we conceive and forward effective advertising and promotion plans for the new products according to customers' own brands, company logos and advertising messages. As long as you reach to our minimum quantity, we can help you to set up great company and products images, to save costs and to enhance the competitive power in the market. Our products are loved by all the customers and can be exchanged as a treasure.
