The Business Collection.

If you have the same high expectations for the companions on your business travel as for yourself, then you will be thoroughly impressed by the Volkswagen Business Collection, because it was created for people who know what matters and what they want. For business players who make no compromises where quality is concerned yet also have a weakness for practical things, whose aesthetics are also easy on the eye.

Each product has been put through its paces and found entirely satisfactory. Select, intricately processed materials, a creative design and technical refinement bestow that little extra on each individual article.

For 40,075 km* and back.

Trolley

Inaudibly quiet: the inline skater rollers with roller bearings made from V2A steel. The rectangular aluminium frame pulls out in two stages and is locked or lowered into the body at the touch of a button. The polycarbonate shell is extremely robust and watertight. To pass, the trolley had to fall 1,000 times fully loaded and be lifted 5,000 times by the handles. Front pocket with business cards pocket, hook and eye fastener pocket and net pocket, main compartment with roomy side insert pockets, in the middle a shirt compartment net with elastic belts.

On the rear is a zipped pocket and a leather address pouch for the owner's business card. Wheel guards, roughened PVC on the rear wall, bottom and side rivets all provide protection. The outer zipper is lockable.

Transport solutions

Interior bicycle carrier (Fig. 1)
For safe and uncomplicated transport of up to two bikes inside the car. Easy and quick mounting on the car’s luggage compartment lashing eyes. The maximum load is 2 x 16 kg. (Before stowing the bikes, the interior seating area must be adjusted accordingly.)

Please ask your Volkswagen partner for the correct carrier for your Volkswagen model.

Roof rack bicycle carrier (Fig. 2)
The carrier is made of an aerodynamically-formed plastic profile and the frame mounting is made of chrome-plated steel. Easy fitting to the roof bars makes handling very easy. It weighs around 3.2 kg. Moreover, the city crash-tested bicycle carrier is lockable. Art. No. 6Q0 071 128 A

Tailgate bicycle carrier (Fig. 3)
An elegant carrier, which matches the car lines. Pre-assembly makes it particularly easy to fit. From anodized aluminium profile, with theft-preventing lock.

Please ask your Volkswagen partner for the correct carrier for your Volkswagen model.

Towing hitch bicycle carrier (Fig. 4)
Suitable for the simple and safe transport of up to two bikes. The pre-adjusted quick-release fastener permits quick fitting without any tools on the tow hitch ball head, while lockable securing screws ensure theft-secure fastening of the bikes. Thanks to the fold-up carrier, the tailgate can be opened without problem. Dependent on the load bearing capacity of the tow hitch, it is possible to carry up to 50 kg using this particular transport solution. An extension set is available for transporting a third bicycle. The model cars.

A good car must possess an unmistakeable balance - a perfect model car as well. So that they fulfil this requirement authorised Volkswagen miniatures are not simply scale reductions of the originals but rather unique works of art which are committed to reproducing the character and the proportions of their life-size counterparts.

This fascinating range includes accurate reproductions of series and special models, racing cars, classics and concept studies in the most popular scales along with toy cars for small Volkswagen fans.

1:87

The beautiful fascination of model cars. The scale replicas of the originals transform these miniatures into elegant and imposing reflections of reality.

Painted using exclusive Genuine Volkswagen vehicle paint these jewels are a constant fascination.

1:24

The 1:24 miniatures are distinguished
by their true-to-life reproductions of
the engine, chassis and interior.

Steerable Genuine front wheels and
opening doors, bonnet and boot or rear
hatch hint at the driving pleasure that you
otherwise only experience in the original.
