## Welcome to the Vitesse 2005 Part 2 catalogue!

We are pleased to announce the launch of a brand new range of Classic Rallye cars under the Rallye by Vitesse brand. Featuring the most significant drivers and cars in Rallye history, each highly detailed 1:43 scale model boasts an opening bonnet with a detailed engine. Rallye by Vitesse now features the new 2005 WRC cars, some of which are featured in this catalogue.

To keep up-to-date, visit our new website at [www.Vitessemodels.com](http://www.Vitessemodels.com)

Happy collecting!

For collectors of classic and modern British Cars, these models represent over 50 years of motoring history and form part of an ongoing collection from Vitesse.

There are five models to collect for this half year starting with a new casting of the Ford Escort MkII, a welcome addition to the range, available in both Sport and Ghia versions. There is a special limited edition Mini by Paul Smith, an MG 1100 and a stunning Aston Martin Vanquish in Rothesay Red.

All these superbly detailed models are crafted in 1:43 scale and all come with a numbered limited edition certificate.

# CLASSIC CARS

of ITALY

The beauty of Italian styling is well documented with famous names that remind you of hand built works of art. Every discerning collector will want to own this range of five models each of which shows an amazing amount of detail.

There is a new casting of the Lancia Delta available in two colour versions, a beautiful Fiat 500 open top, an Alfa Romeo 1750 Spider Veloce and finally, the Fiat 124 BSI Spider. All these models are crafted in 1:43 scale and each model is a numbered limited edition and comes with a certificate of authenticity.

# CLASSIC CARS

of GERMANY

Some of the finest German marques ever built are represented in this collection of five models all of which are highly detailed.

We introduce a new casting of the Audi Quattro, a superb and striking model. There are two versions of the Mercedes-Benz 220SE, one a coupe and the other an open top. There is an Opel GT/J and Mercedes-Benz 600 Landaulet that complete the collection.

All these models are faithfully reproduced in 1:43 scale and each model has a numbered limited edition certificate of authenticity.

# CLASSIC CARS

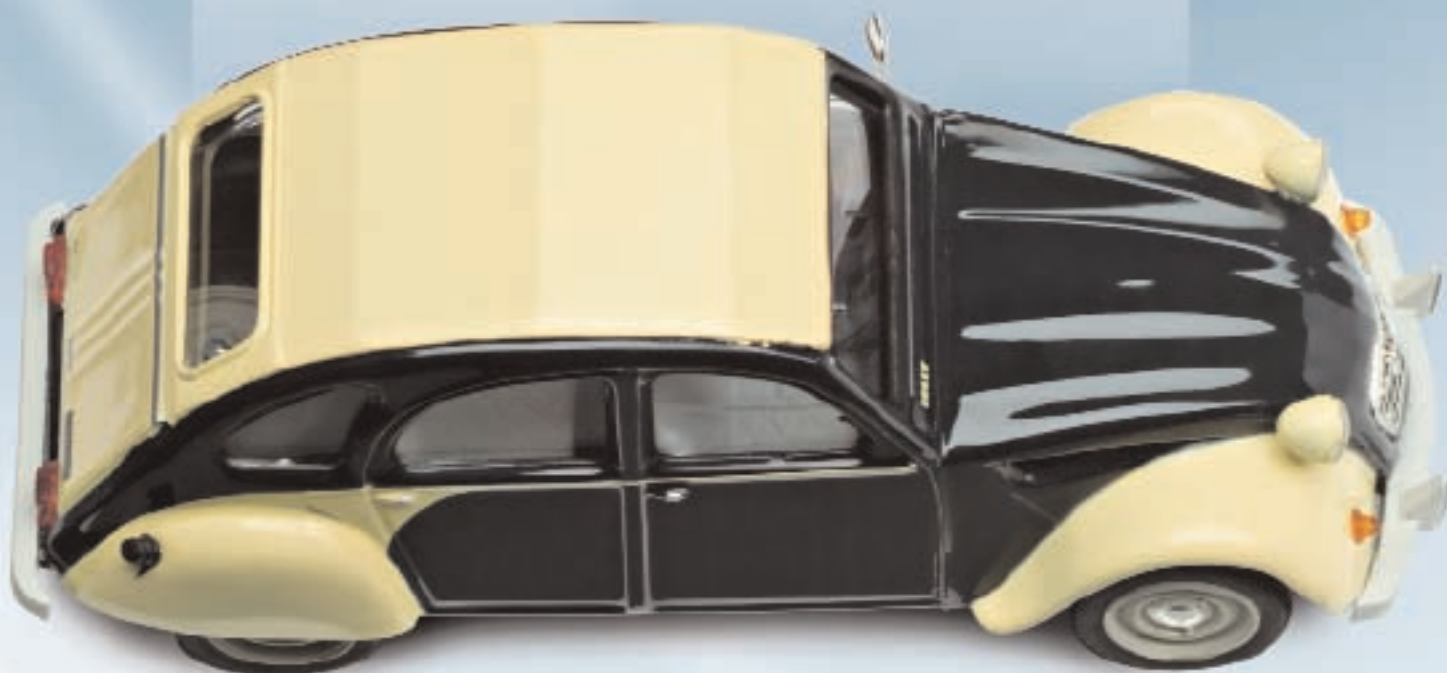

## of FRANCE

French styling has always been distinctive and our collection of five models represents some of the most impressive cars ever made. The Citroen 2CV Dolly and the Citroen DS19 are two of the most historically important models. The Régie Renault is represented by the 1991 limited edition 4L “Carte-Jeunes”, and the classy 16TL. The Sochaux-based Peugeot company provides the elegant Peugeot 404 GT. All reproduced in 1:43 scale and highly detailed, each model has a numbered limited edition certificate.

# CLASSIC CARS

of JAPAN

Only introduced in the first half of this year, this collection has proved to be very popular, charting the history of the famous and lesser known makes of Japanese cars.

There are five models to collect starting with the Hino Contessa, which has an opening engine compartment and detailed engine. The Mitsubishi Colt has proved to be highly successful in Europe. Star of the TV ad, the footballing red 5-door is accompanied by the sporty looking black 3-door, while the Mitsubishi Lancer EVO V recalls the marque's motor sport heritage. Honda is represented by a superb Honda S800 open top. All crafted in 1:43 scale, each of these highly detailed models have a numbered limited edition certificate.
